U.S.A.

Dear Sir:

It is not only with thanks, but with congratulations that I would like to acknowledge today your last kind letter of November 27. The news has been so overwhelming in the past few days that we are almost left breathless and unbelieving at so much good fortune. It was an equally kind move of fate that General Smith's visit to Munich coincided with the passage of the Bill through the Senate Judiciary Committee, and that it so happened that he was able to announce this to the assembled ten-o'clock meeting! We could not have wished for a worthier spokesman!

Once again, thanks in the name of all of those who will be beneficiaries of the Bill and who will not forget the role you played in making this forthcoming Christmas one of the Merriest ones in their lives.

With all good wishes I am yours very gratified and

Sincerely

*Dorothy*
